**All material have been found, recycled, given or 100% deadstock  
and reworked**

**Garment Care Instructions:**

Hand wash only/line dry/low iron

**Artwork Care Instructions:**

Due to the nature of plant-based dyes and inks, certain colours in the artworks may fade overtime. Avoid hanging the artwork in direct sunlight or damp rooms. Please wash your hands after handling the artwork or wear gloves, as noxious weeds and metal mordants were used in the dyeing process. If you do notice mould growth or drastic fading, please get in touch with me ([clementinebellemcintosh@gmail.com](mailto:clementinebellemcintosh@gmail.com)) and we can arrange the artwork to be redyed continuing its lifecycle <3

**List of dyes/inks used:**

Rosemary  
Pokeberry (berry)  
Black Berry Nightshade (leaf)  
Various Eucalyptus (too many to name)  
Homemade iron water using found rusty objects  
Wattle (seed pod)

**Inquire with artists regarding artwork pricing :-)**
